

Letter of Recommendation

To Whomever It May Concern

Dears

I am pleased to recommend Reema Fahad Alrefai, who served as a Web Developer during her Coop Traineeship at SABIC, concluding on 15-06-2025 to 16-08-2025.

Reema proved to be a reliable and dedicated professional, grasping the complexities of her role with minimal oversight, and delivering high-quality work. She excelled as a team player, collaborating effectively, engaging in productive follow-ups, and going the extra mile to learn from experienced team members.

With **her** imagination, motivation, and commitment, I believe Reema will be a tremendous asset to any organization.

SABIC and I wish her the best in her future endeavors.

Sincerely yours,
